

AUTOMOBILE GAS ENGINE & ENGINE PARTS MFG. (NAICS 33631)

INDUSTRY DEFINITION AND RELATED INDUSTRIES

NAICS 33631: Motor Vehicle Gas Engine & Engine Parts Manufacturing Industry. This industry comprises establishments primarily engaged in manufacturing and/or rebuilding motor vehicle gasoline engines, and engine parts, whether or not for vehicular use.

Related Industries

- Automobile Manufacturing
- Automobile Dealers
- Automobile Parts Manufacturing
- Automobile Parts Retailers

U.S. Census Categories

NAICS 33631 – Automobile Gas Engine & Engine Parts Manufacturing is: 100% comparable to SIC 3592 – Carburetors, Pistons, Rings & Valves Manufacturing
